RE: Section 3 Caseload and Travel

The National Mediation Board held a Section 3 Committee meeting on November 15, 2006. As a result of that meeting, an agreement was reached between the Board and the Section 3 Committee to suspend for 60 days the Board's current pilot program of limits on Arbitrator caseload and travel as set forth in its October 4, 2006 Memorandum. The Section 3 Committee will study the issues underlying the program, including the Board's GPRA obligations and standards, and will provide its recommendations to the Board on or before January 15, 2007.
